Gramacho Golf Course has 27 varied greens that enables the golfer to play the same course several times with different greens and new challenges. This golf course is maintained at tournament standard all the year round. The wonderful characteristics already existing on the site, from the boulder outcrops and dry stone walling to the fig, carob and olive trees, have been complemented by artfully positioned lakes and bunkers. These hazards, combined with the design of the greens and fairways, result in a challenging but attractive golf course

## Friday 16<sup>th</sup> September

### PAIRS

#### MORGADO GOLF

34 mins (40KM from Paraiso)

**Hotel Pickup: 12:15**

The Morgado Golf Course is situated to the north of the town of Portimao and is the sister course to the Alamos Course. The Morgado Golf Course is laid out in a large 980 hectare estate through undulating small valleys. The immediate main characteristic factors are generous fairways and its large greens which place demand on good putting skills. Also, the accuracy of the players shot will be questioned by deep aggressive bunkers.

WGGC polo shirts are optional but preferred by the committee on the first two days but mandatory Blue or Red on Saturday's event.

The Espiche Golf Course which is the newest course in the world of Algarve golf. The course gently provides an undulating 18 hole par 72 course that blends into the local landscape. Lakes, streams, and indigenous planting, add to the enrichment and biodiversity of the area. The various attractive aspects that the course offers the golfer are open countryside with vineyards and views to the Monchique Mountains.

Do not forget to pack your golf shoes and take a hat, the sun will burn you even under cloud cover. Take plenty of golf balls as these can be expensive at the tourist courses.
