WGGC – READY GOLF

"Ready Golf" refers to a method for golfers to speed up play. Simply put, "ready golf" means that each golfer within a group hits when ready. But ready golf allows the golfers within a group to take their swings when each member of the group is ready to play. If you reach your ball and are ready to hit, while other members of your group are not yet prepared, then go ahead and hit - even if you are not away. Keep in mind that while there are no penalties under the Rules for violating order of play. Common sense should prevail. Play in turn where possible, but if playing out of turn helps the flow of play it should be viewed as good rather than bad etiquette.

On The Fairway Players should be **ready to play** as soon as it is their turn to do so. All players should walk to their ball as soon as possible. Walk down the sides of the fairway to reach your ball, determine your club selection while waiting, and then move towards your ball. You can usually get close enough to your ball and get **ready to play** the shot, while players behind you can still make their shots. While waiting, players can survey the shot, select the club and if necessary, take required practice swings.

Entering and Leaving the Greens ALWAYS, leave your clubs at the back or side of the Green closest to the next tee. If a shot is played in front of the Green first, the player should move his or her clubs to the back or side of the Green before playing the next shot. Playing Ready Golf around the Greens means getting **READY** to putt **BEFORE** it is your turn! Players should line up their putts **WHILE** other players are putting, so they're **ready to putt** when it's their turn.

Ready Golf also means putting continuously if the ball is not in someone else's line, and if the player does not have to spend a lot of time surveying the putt. If you miss a putt by one or two feet, for example, and have an open stance to make the next putt, you should go ahead and putt out instead of marking the ball and waiting for another turn. Of course, if it's a tricky putt and you want extra time to survey it, mark the ball but survey your next putt while someone else takes his or her turn.
