## FOLLOW SOCIAL DISTANCING GUIDELINES

"Ready Golf" refers to a method for golfers to speed up play. Simply put, "ready golf" means that each golfer within a group hits when ready. But ready golf allows the golfers within a group to take their swings when each member of the group is ready to play. If you reach your ball and are ready to hit, while other members of your group are not yet prepared, then go ahead and hit - even if you are not away. Keep in mind that while there are no penalties under the Rules for violating order of play. Common sense should prevail. Play in turn where possible, but if playing out of turn helps the flow of play it should be viewed as good rather than bad etiquette.
